

Combined BA/MA Program in Italian

Yale allows students to complete simultaneously the BA and MA degrees in the same department in four years, provided the student meets certain requirements. In addition to all the regular BA requirements (see the Italian Major Worksheet), the student must complete eight graduate courses, to be distributed as follows:

- A. At least five graduate courses in the Italian Department, numbered 500 or above:

<i>Course number</i>	<i>Course title</i>
1.	
2.	
3.	
4.	
5.	
6.	
7.	
8.	

- B. Up to two of the above course requirements may be fulfilled by graduate courses in other languages and literatures, linguistics, history, history of art, philosophy, or religious studies that are related to the student's field of study and approved by the Director of Undergraduate Studies.
- C. One of the above course requirements may be fulfilled by completing a Master's Thesis. Students who opt to do so are encouraged to pursue a year-long project in lieu of the Senior Essay required of standard majors.
